### DEVELOPER'S DUTIES

- The final product shall be delivered to the Client in a four months period after the signature of this agreement.
- For a period of six months after delivery of the final product, the Developer shall provide the Client attention to answer any questions or assist solving any problems with regard to the operation of the Software up to 30 of hours free of charge and billed to the Client at a rate of \$20 per hour for any assistance thereafter.
- The Client may terminate this Software Development Agreement at any time upon material breach of the terms herein and failure to cure such a breach within two weeks of notification of such a breach.
- The Developer shall provide to the Client after the Delivery Date, a cumulative day of training with respect to the operation of the Software if requested by the Client.

### COMPENSATION

- The client must pay 50% of the payment before starting the development of the site and the remaining 50% once the site is up and running. In turn, this contract is valid for 15 days after its issuance, so if the payment is not made in the next 15 days, a new contract must be made.

### INTELLECTUAL PROPERTY RIGHTS

- The Parties acknowledge and agree that the Client will hold all intellectual property rights in the Software including, but not limited to, copyright and trademark rights. The Developer agrees not to claim any such ownership in the Software's intellectual property at any time prior to or after the completion and delivery of the Software to the Client.
